

Comte Peraldi Cuvée Blanc de Noirs 2023

LE PETIT REVEUR
VIN DE FRANCE - BLANC DE NOIRS
ORGANIC CERTIFIED

Year 2023 :

Spring 2023 was particularly rainy with important risk of Downy Mildew development. Through daily care, the vine health was conserved. The hot summer and the early arrival of vine leafhopper dwindled the vine growth resulting in a extended 6 weeks period of harvest to reach adequate maturity. Nonetheless the berries were abundant and juicy. Very beautiful vintage despite its complexity.

Start of the Harvest : 24/08/2023

Grape Variety

Sciaccarellu 100 %

Vinification

Straight to the press upon reception of the Grapes to avoid any coloring. Fermentation in stainless steel vats with temperature regulation.

Tasting

Pale yellow with copper reflection. The nose is intense, with notes of yellow fruits and English candy. The palate combine elegantly, freshness and roundness to finally leave you with the parfume of a pomelo's zest.

Serving recommendations

Serve between 8° and 10° Celsius degree.

Aging

Drink within the year
